

2025 Review SPIFF Program

On-going with SKUs updated monthly

Fire up your earnings with the SPIFF Review Program! This is your chance to pocket \$20 for every grill you review—no ownership required, just your honest take. It's as easy as logging in, sharing your insights, and letting us handle the rest. Your reward will be credited automatically once your review is published. New SKUs will be added monthly. Don't miss out on this simple and rewarding opportunity!

How the SPIFF Works:

1. Login to NapoleonRewards.com.
2. Go to the 'Review our Products!' program.
3. Click the review link for your selected product.
4. Share your insights (you don't need to own the product; simply offer an honest, authentic experience and opinion based on your understanding of it).
5. We handle all processing, no claiming necessary on your part.
6. Once the review is published, we will automatically credit your Napoleon Reward Card and send you an email confirming your reward.

NOTE: If your review gets rejected, do not worry, we are on it!

Reviews are sometimes rejected by Bazaarvoice (our review vendor). Please be patient as we will work to get your review's rejection reversed. Use the same nickname and email each time you submit a review to avoid your review being rejected.
