

## Product Discontinuations

As part of our continuing product portfolio review and analysis, we see a significant decrease in demand for gas direct vent stoves, pellet stoves and pellet inserts. We also see a shift away from the Ravenna direct vent gas insert with consumers preferring our Madison Park lineup. Based on this we will be discontinuing the following list of units and related accessories.

Discontinued Stoves & Inserts

## Last Call for New Production Orders – July 12, 2024

To support this action and allow customers the opportunity to balance inventories we are offering a last call for orders of these products. Orders for new production units and accessories will be accepted through July 12, 2024. Please note that quantities may be limited to components availability. After this date orders will be limited to available finished inventory only on a first-come-first-served basis.

## Sales & Marketing Support

See the following List Price Sheet and Flat File Supplements for all the product and pricing actions being announced. List Price Books and Flat Files will be updated as a running change.
